

# Guardian's Guide Google Classroom

## Why do we use Google Classroom?

[Google Classroom](#) is a one-stop-shop for classroom communication, assignments, and resources that is easy to navigate and access on all devices.

## Signing in on a home device?

Your student can use Google Classroom on any device. If you have multiple people using the same device, [manage multiple profiles](#) with Chrome.

## How does my learner...

- [know what to do?](#)
- [turn in assignments?](#)
- [check grades?](#)
- [contact the teacher?](#)
